A STRONG NATION NEEDS GOOD FOOD

Buy Defense Stamps and Bonds

Every time you buy food, buy Defense Savings Stamps. Every Safeway Store has them. That's the way to make a specific, operational contribution to the Victory Drive and register additions to your savings.

Join Your Local Civilian Defense Corps

Both men and women are urgently needed in the various branches of CIVILIAN DEFENSE. ENLIST TODAY! Do your share to protect your community.

A HIGH GOAL has been set by our President for the production of planes, guns, tanks, ships and all vital equipment for America's forces on land, sea, and air. That goal is being reached quickly, efficiently, making our all-out war program a bulwark of strength, ready to meet the challenge to our way of life.

But Uncle Sam cannot build for defense with arms alone . . . he needs men and women with strong, healthy bodies . . . you can help win the war by keeping healthy. Healthful recreation gives release to mind, body and spirit. Take up a sport as a hobby and keep physically fit.

Eat plenty . . . and eat the right things. None of us can afford to be undernourished with this big national task ahead of us. It is of major importance that we buy the right kinds of food . . . food that contains all the essential vitamins, proteins, fats and minerals.

Safeway pledges itself to do its share: by keeping food costs at a minimum and by discouraging any and all unwarranted advances in the price of foods you need, want and buy every day.

Learn about Vitamins, Minerals and Proteins!

Your Safeway has cooperated with the Government's effort to build a healthier stronger nation by preparing a brand new kind of "correspondence course" on nutrition. This correspondence course gives in ten, easy-to-understand lessons, the sort of practical, usable information you've been wanting on nutrition. Prepared by our own graduate nutritionists, the course has been checked and double-checked by other outstanding authorities in the fields of foods. You will notice a good many changes . . . radical ones, some of them are . . . in such things as ways of cooking vegetables.

Do your share in the Government health program—Enroll in the "Kitchen Course in Nutrition" today and you will be rewarded by the assurance that you are helping your boys and girls to build a foundation for buoyant, good health throughout their lives. And at the same time you'll help your husband and yourself to keep youthfully strong and vigorous in both mind and body, for more years than you may have thought possible.

To enroll, simply send 25c and your name and address to,
JULIA LEE WRIGHT, BOX 660 C.C., OAKLAND, CALIFORNIA.

Your help is needed in conserving paper

Military requirements of paper are causing a shortage of bags, wrapping paper and cartons. Extra care is needed to be sure none is wasted.

. . . HERE'S HOW YOU CAN HELP:
1. By using a SHOPPING BAG.
2. By returning usable cartons.
3. By asking your order boxes without a carton if you have your car. Just tell us if you care to do this.

Safeway Employees Buy Defense Bonds

Safeway employees are buying Defense Bonds regularly. Through a voluntary plan each employee decides how much he wants to set aside. The Company cooperates by regularly deducting this "Salary Allotment" from wages and with the accumulated savings buys bonds which are delivered directly to each employee by Uncle Sam.
